Skills

Leadership, Trilingual (English, Arabic, Russian), excel in math and science (physics in particular), fast learner, hardworking, designing blueprints, making 3D models, creativity, time management, communication with others, teaching/coaching, and responsibility

Experience

YMCA, Staten Island- *Swimming instructor/Lifeguard - January 2018 - present*

- Teaching adolescents, adults, and children the basics, developing, and master techniques of swimming
- Guarding over recreational youth and adult swim sessions as well as family swimming time
- Handling with special needs students in one on one classes

Varsity High School Soccer - September 2016 - March 2019

- Played 3 years of Varsity soccer
- Participated in multiple PSAL tournaments

Education

Grove School of Engineering at The City College of New York

- Major: Civil Engineering
- Current GPA: 3.9

Staten Island Technical High School, Staten Island- *2015-2019*

During my time there I had the opportunity to take multiple electives and special courses that my school offers. Most electives had relation to my career for instance: Robotics, AutoCad, Electronics, Computer Science, and Biotechnology. These classes helped me adapt, experience, and apply my knowledge into situations that could be a part of my future as an engineer.

Awards/Achievements

- Autocad certification
- Staten Island Soccer Champs years 2015, and 2017
- Top Teammate award in The Soccerroof soccer league
